Human Resources Professional Certification Preparation...

One Step Ahead of the Competition

Sharpen Your HR Knowledge by Utilizing These Compelling and Unique Features:

Benefit from a COMPLETELY INTERACTIVE AND PERSONALIZED LEARNING EXPERIENCE!

Tailor your program to meet your learning preferences. In addition to core content, you will be challenged from a combination of instructional videos, animated tutorials, and interactive practice applications.

Push Your HR Studies to a Higher Level by Learning from a CORE KNOWLEDGE BONUS MODULE

Benefit from a unique, seventh, bonus module, covering cross-functional core knowledge to provide a higher-level understanding of the HR function as it truly applies to the HR world today!

Challenge Yourself as You Study-- Utilize a COMPREHENSIVE PRACTICE TEST

Use as a whole-product pre-test to efficiently guide your studies. Or, use as a whole-product post-test as a checkpoint to test your level of readiness for the actual certification exam. Designed to prepare you for the actual types of questions found within the certification exam, this practice test contains 280-exam style questions. And, each question is linked back to related content to optimize user study time.

Module pre-tests and *post-tests* are also available to provide you with feedback on your study progress.

CUSTOMIZE Your Program to Meet Your Study Needs

Customize your program by taking notes and bookmarking content as you study. And, track and view your progress by taking module pre-tests and post-tests and the comprehensive practice test.

All of this, and more, available...at a competitive price!
